Panchama Boarding Home, Bangalore.

READ—

Correspondence ending with letter No. C. 4240—24-25, dated 7th August 1925, from the Inspector-General of Education, submitting for sanction consolidated proposals in the matter of arrangements to be made for the admission of 80 students in the Panchama Boarding Home, Bangalore, during the year 1925-26.

ORDER NO. E. 1398-1400—EDN. 42-24-8, DATED 28TH SEPTEMBER 1925.

Government in their Order No. 3636-8—Edn. 60-22-8, dated 5th December 1922, sanctioned the opening of a Boarding Home for Panchama students of High School classes at Bangalore, the number of students to be admitted thereto being limited to 12. Subsequently in their Order No. E. 4315-6—Edn. 232-23-5, dated 12th March 1925, Government sanctioned the continuance of the arrangement made for the admission of Panchama students of High School classes up to a limit of 15, 5 and 5 to the Panchama Boarding Institutions at Mysore, Tumkur and Chikmagalur respectively for a further period of three years from 1924-25 and permitted the Inspector-General of Education to transfer the unutilised provisions of these Institutions to the Boarding Home, Bangalore. According to this order, 19 out of the total number of 25 seats are reported to have been transferred last year to the Boarding Home, Bangalore, the remaining six being retained at the Central Panchama Institute, Mysore. The Inspector-General now states that the Managing Committee of the latter Institution have recommended the transfer of the entire provision to the Boarding Home, Bangalore, on the ground that both from the point of view of discipline and accommodation it is advantageous to restrict admission to the Institute at Mysore to the Middle School pupils only. The transfer of 25 seats from the three Boarding Schools of Mysore, Tumkur and Chikmagalur (including the 12 seats provided under Government Order dated 5th December 1922, read above) will make 37 seats available in the Boarding Home at Bangalore.

2. There has however been an increase in the number of Panchama pupils who passed the Lower Secondary Examination this year and 80 pupils have actually been admitted now to the Boarding Home, Bangalore. The Inspector-General has therefore submitted proposals for (1) the revision of the strength and scales of pay of establishment and other charges of the Institution; (2) replacement of the present part-time Manager by a full-time resident Warden on a pay of Rs. 30 and a house rent allowance of Rs. 20 per mensem for supervising the various activities of the boarders. The existing grant for books, *viz.*, Rs. 15 per pupil per year is stated to be inadequate and is proposed to be increased to Rs. 20 per pupil.

3. The extra cost of the above proposals amounts to Rs. 9,058 and the Inspector-General proposes that a sum of Rs. 6,000 included for the purpose in the current year's budget in the provision under "26 Education, 7 Special Communities B (1) Panchama Schools Library and Special charges" may be utilised for meeting a portion of the same and that the balance of Rs. 3,058 required may be met by awarding 31 out of the 65 available depressed class scholarships of the value of Rs. 10 each per mensem, to 31 boarders in the Boarding Home, Bangalore, and by recovering from them the amount received by them in the shape of scholarships and crediting the same towards the expenses of the Home.

4. Government view with satisfaction the increase in the number of pupils of the Panchama Community seeking admission to the High School classes and are pleased to sanction the proposals of the Inspector-General of Education for revision of the establishment and other charges of the Panchama Boarding Home, Bangalore, at an extra cost of Rs. 9,058 as shown in the statement appended, the same being met in the manner indicated above.

P. G. D'SOUZA,
Chief Secretary to Government.
